

Sai Dattu Office Management

(Security & Housekeeping Services)

"We provide best in class professional housekeeping, security and manpower solutions to all kinds of business and residences."

Company Profile

Sai Dattu Office Management was founded in 2015 by group of administrative professionals, having more than 2 decades of experience in various industries. It is now an established Premises Upkeep and Management provider that has achieved success through its superior service delivery. Each client relationship has been built on a foundation of trust and we've consolidated it over time with tireless dedication knowing that our clients are always counting on us.

We are currently offering integrated solutions to suit our clients' needs. Stemming from our experience of maintaining over 45 million sq. ft. of residential space and over 60 million sq. ft. of commercial space, our expertise spreads over a broad spectrum of service areas to include housekeeping, security, engineering, landscaping, generators, sewage treatment plant and more.

We understand that our clients operate in a competitive world with constantly changing needs. They need a partner they can trust to handle their support functions effectively, so that they can focus on what they do best – matters of their business

SAI DATTU Office Management is an endeavor driven by dedicated and veteran entrepreneurs with the aim to augment the quality of services delivered to our valued clientele. Compelling factors forging the structure of this alliance are the determination to deliver enhanced results to clients, ambition to bring recognition to stakeholders as part of a high quality venture and spirit to instill a sense of pride in our valued employees.

Distinctive Value Propositions: Our distinctiveness shows the way our team offers services. Our team members share cohesive work principles, vision and culture with high levels of foresight, self-motivation and client-focus.

Our team has workforce who are highly determined, well-qualified and experienced in services we offer. We emphasize on making the entire service delivery a hassle-free one. All the members of our workforce firmly believe in providing unparalleled and customized services with special focus on service precision to accomplish total customer satisfaction.

Our company is gaining popularity due to the broad scope of services which has embraced a range of aspects to serve the corporate sector. Another, equally significant factor is the quality of the services offered by the company, which have been praised for efficiency and cost effectiveness

Following are some of our value propositions:

1. Establishing healthy and hygienic conditions in clients workplaces
2. Measuring the performance of our teams on daily manner
3. Maintaining the clients feedback from time-to-time
4. Training teams on advanced systems and service delivery approaches
5. Adopting world-class quality standards and benchmarks
6. Using environmentally safe chemicals and cleaning material
7. Utilizing the resources in the most optimized manner
8. Working in close coordination with clients to deliver services in the most accepted manner according to their schedules and work timelines

Mission Statement

SAI DATTU Office Management aims to provide our clients with a superior maintenance program that is designed to meet their exact needs at a very reasonable cost. We strive to exceed the expectation of our customers in gaining the highest level of customer satisfaction with extra ordinary emphasis on quality and productivity. We treat each client as a personal responsibility to achieve a long lasting relationship

Our vision

Is to be the value leader in providing quality facility services for commercial markets and open job opportunities. Our success will be gauged by both client and employee satisfaction and retention. We provide systems, procedures, trainings, and programs that allow our team to propel the company in the direction of our mission.

Why Sai Dattu Office Management?

Sai Dattu's growing popularity as a vendor of choice for household need can be attributed to a number of factors, some of which are as follows :

- **One stop solution**

Comprehensive solutions to address multiple home and business space improvement problems.

- **Quality**

Competent and trained staff who understand your needs and able to consistently deliver quality services.

- **Convenience**

A call or a click is all it takes for you to stop worrying. A friendly member of our staff will be there to get the job done in time.

- **Trust**

The trust of our valued and loyal customers is the foundation on which we grow every day. With our continued focus on the importance of safety, we carry out stringent background checks of every candidate who joins us and is deployed at client place.

- **Satisfied customer base**

A growing list of satisfied customers who allow us to grow with them and refer us to new customers.
